

Where plant hire and machinery have been obtained, we will ensure that we get all the necessary guarantees, maintenance manuals and contracts. In addition, once your project is completed, we will assist you i dovetailing the occupation of your buildings where partial or beneficial occupation in required.

Via the main contract we will also attend to all tenant requirements. This is to ensure that the tenant specifications are completed in accordance with the client's needs and project criteria.

In this phase our functions and areas of control contribute to the overall success of the project.
